To place an order, a 50% deposit is required to initiate the design and select finishes. This deposit becomes non-refundable after factory approval and/or four weeks from the initial deposit. The final payment, adjusted for material cost differences, is due to initiate manufacturing. The second payment is also non-refundable. Orders must be received within two weeks of completion, otherwise, CC Patio will charge a storage fee based on the size of your order, which will be 3% of the charge of your order per month. Floor samples and clearance items are final sale. Payment balances must be cleared before merchandise delivery, and all sales are final.
