

PROPOSAL FOR CC PATIO

3D Product Configuration and CPQ Software

Prepared by Ken Kramer
Date: August 27, 2026

WHAT YOU NEED WHAT WE BUILD

Before we get into pricing, here's what we're solving for you.

YOUR CHALLENGE

- **Too many manual processes** - disconnected systems make pricing, stock, orders, and customer data harder to manage.
- **A fragmented sales experience** - limited visibility and a fragile process make it difficult to sell and scale.
- **Limited flexibility** - a lack of data and flexibility makes it harder to support customers and designers.

OUR SOLUTION

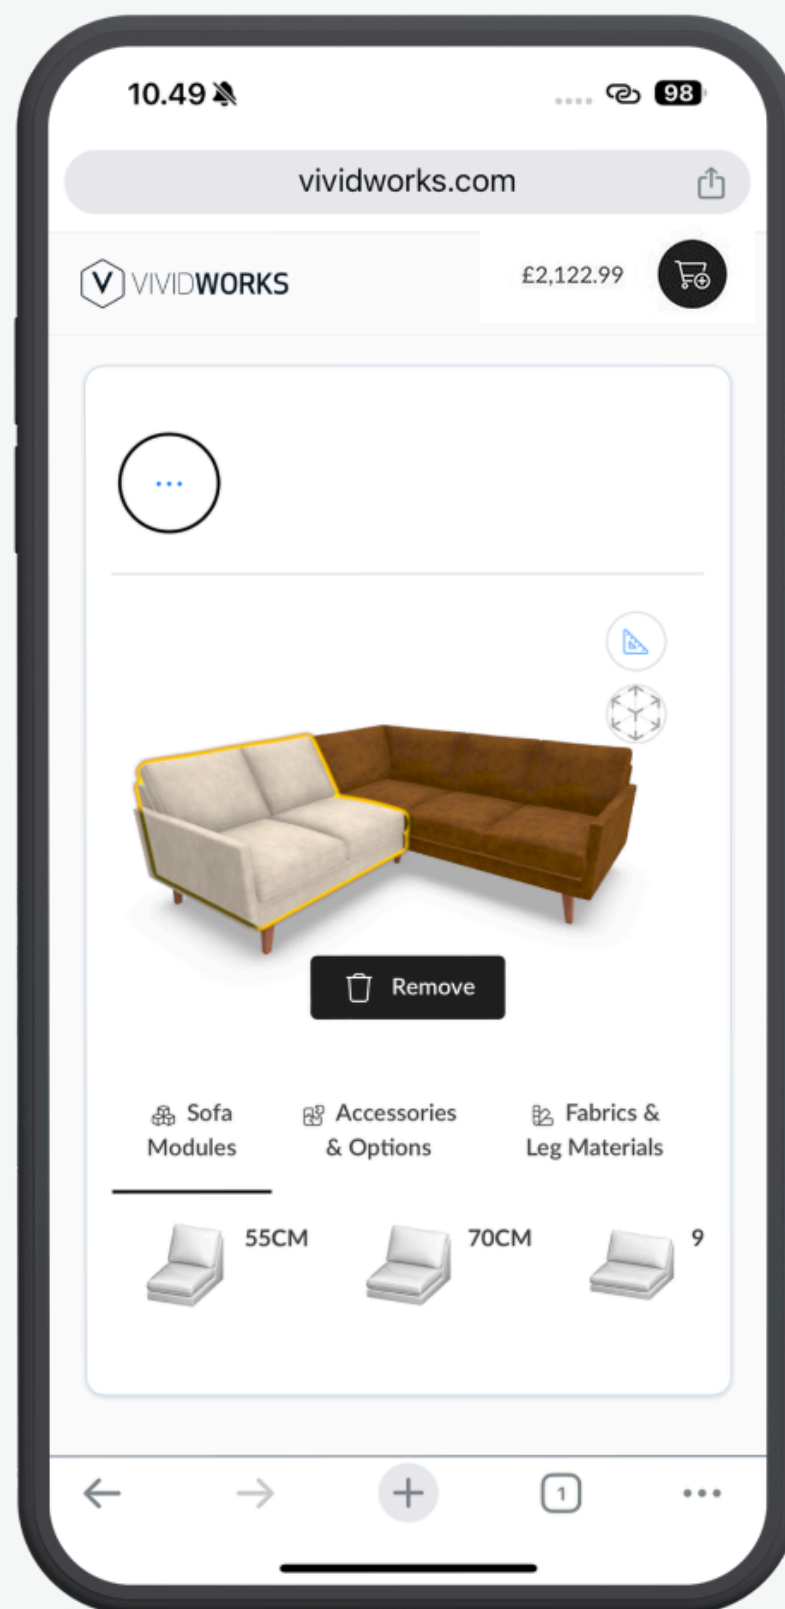

- **One Connected Experience** - a powerful **3D Outdoor Furniture Configurator** that simplifies planning and reduces manual work.
- **Connected Operations** - a WooCommerce-led setup connecting pricing, stock, orders, CRM, and ERP in one setup.
- **Built to Scale** - a flexible foundation that incorporates 3D assets and can grow over time.

EVERYTHING YOU NEED 3D PRODUCT CONFIGURATOR

Configure. Visualize. Sell.
All in one platform.

Build to simplify.
Designed to scale.

VISUAL CONFIGURE, PRICE, QUOTE
