USER EXPERIENCE

HOMEPAGE

<https://www.ccpatio.com/>

RECOMMENDATION

1. Make "Residential" and "Commercial" selectors more prominent. Consider top bar above main nav.
2. Background image before video loads is low res.
3. Initial background video pulls from YouTube. Self host the video instead of pulling from Youtube.
4. Add video background player controls (pause/play and mute/unmute)
5. Indicate "Start a Design Conversation" link will open in a new tab/window.
6. Low res icons/logos before footer

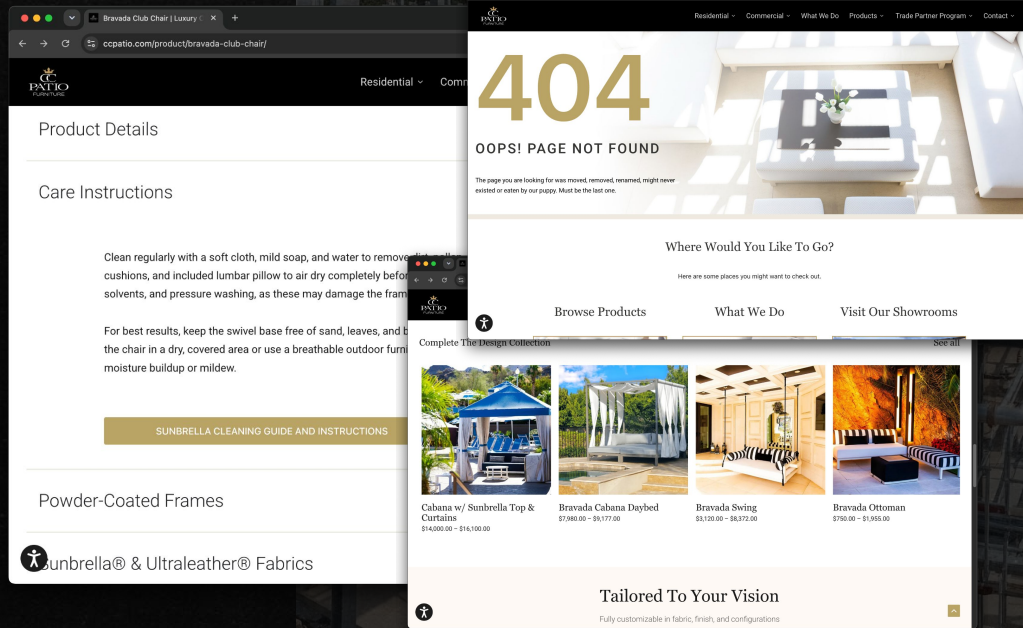

USER EXPERIENCE

PRODUCT PAGES

Ex. <http://ccpatio.com/product/bravada-club-chair>

RECOMMENDATION

1. Set any buttons on Product pages or other pages linking to guides, instructions, or product details to open in a new tab/window
2. Add a "You May Also Like" or "Related Products" to Product pages. Can be in addition to "Complete the Design Collection".
3. When the product name is removed from the URL, the URL `/product/` leads to a 404. Setup a redirect o "All Products".

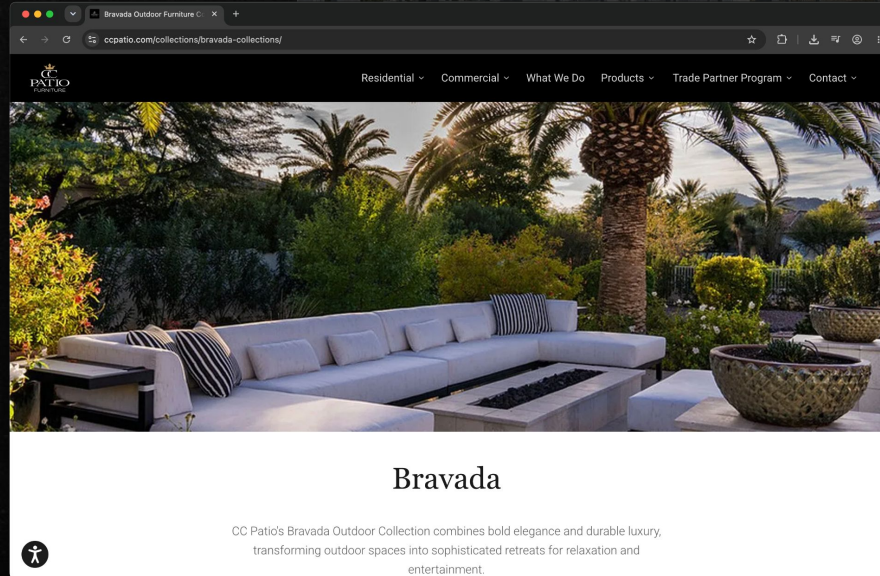

USER EXPERIENCE

VARIOUS PAGES

Ex. <https://www.ccpatio.com/collections/bravada-collections/>

RECOMMENDATION

1. Improve image quality of hero background images
2. Add H1 title/headline in hero section

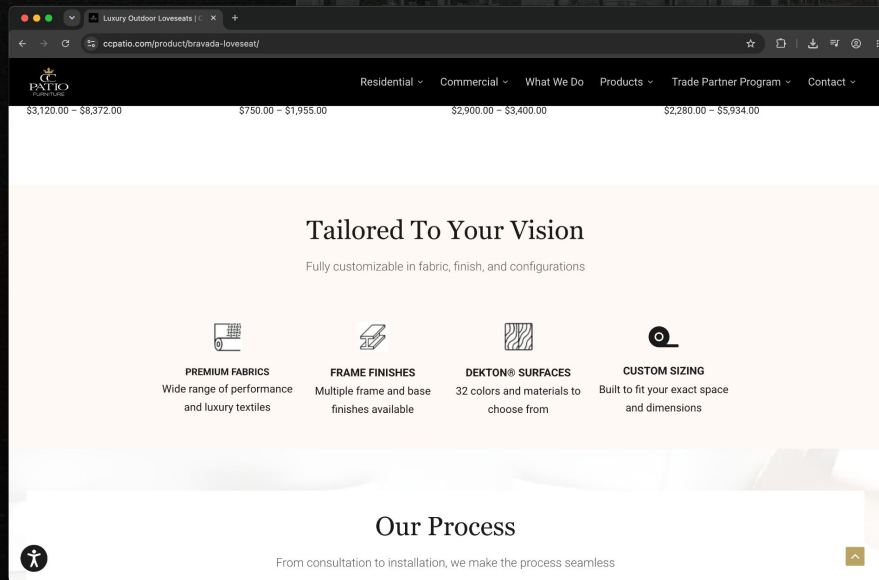

USER EXPERIENCE

VARIOUS PAGES

Ex. <https://www.ccpatio.com/product/bravada-loveseat/>

RECOMMENDATION

1. Remove white background from icons and improve quality
2. Add CTA button to section(s)

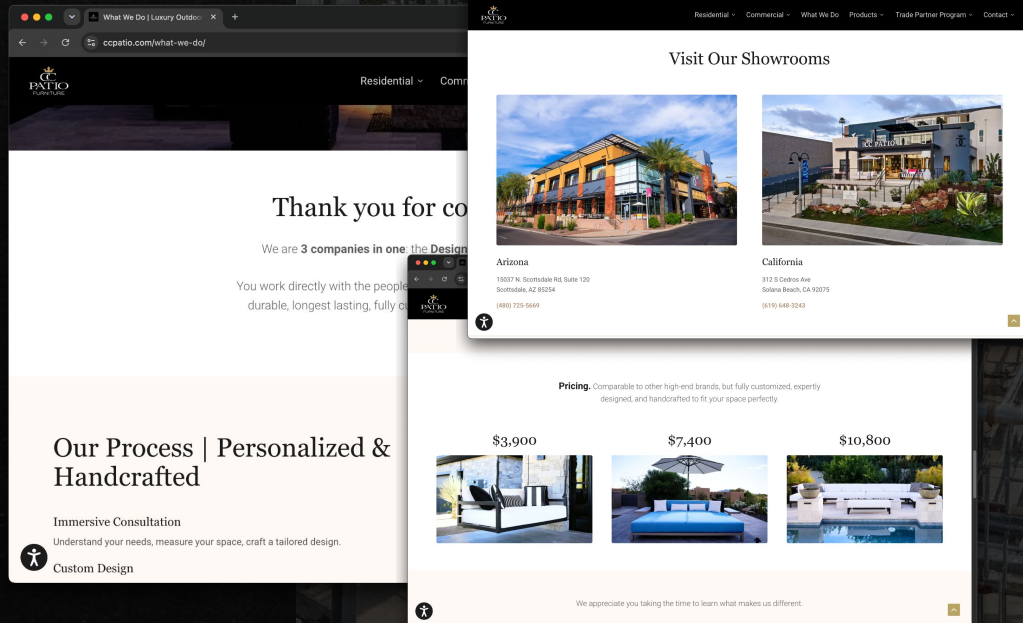

USER EXPERIENCE

WHAT WE DO

<https://www.ccpatio.com/what-we-do/>

RECOMMENDATION

1. Add CTA button to section(s)

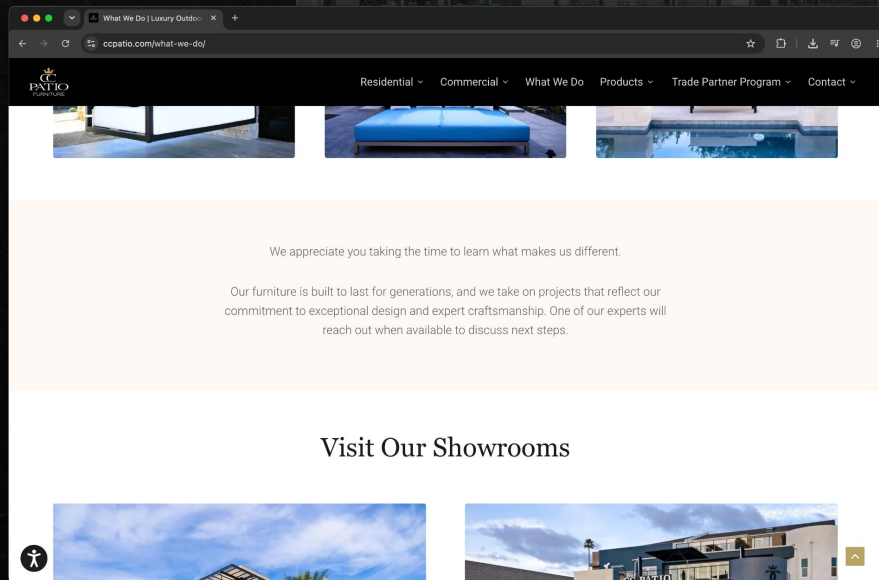

USER EXPERIENCE

WHAT WE DO

<https://www.ccpatio.com/what-we-do/>

RECOMMENDATION

1. Add CTA to, adjust or remove this section

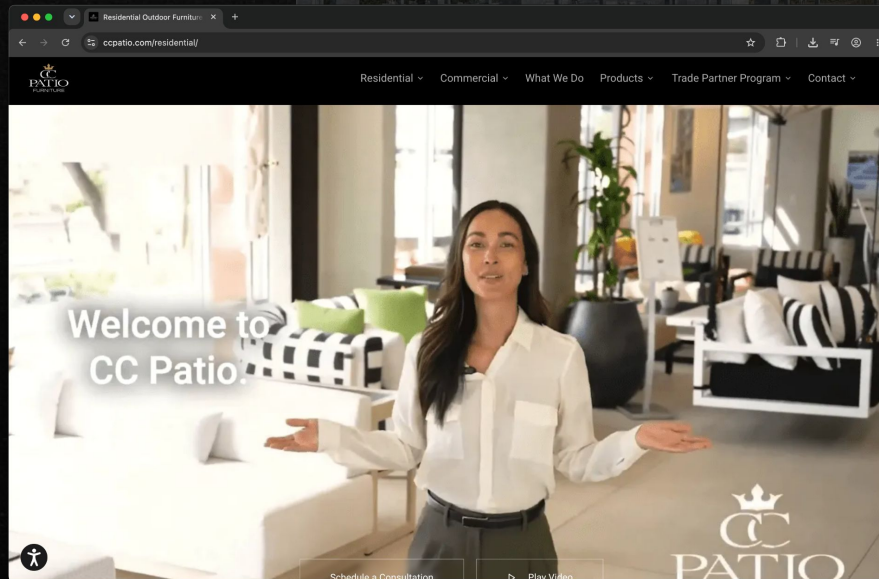

USER EXPERIENCE

RESIDENTIAL

<https://www.ccpatio.com/residential/>

RECOMMENDATION

1. Add H1 headline to hero section
2. Background image before video loads is low res.
3. Initial background video pulls from YouTube. Self host the video instead of pulling from Youtube.
4. Add video background player controls (pause/play and mute/unmute)

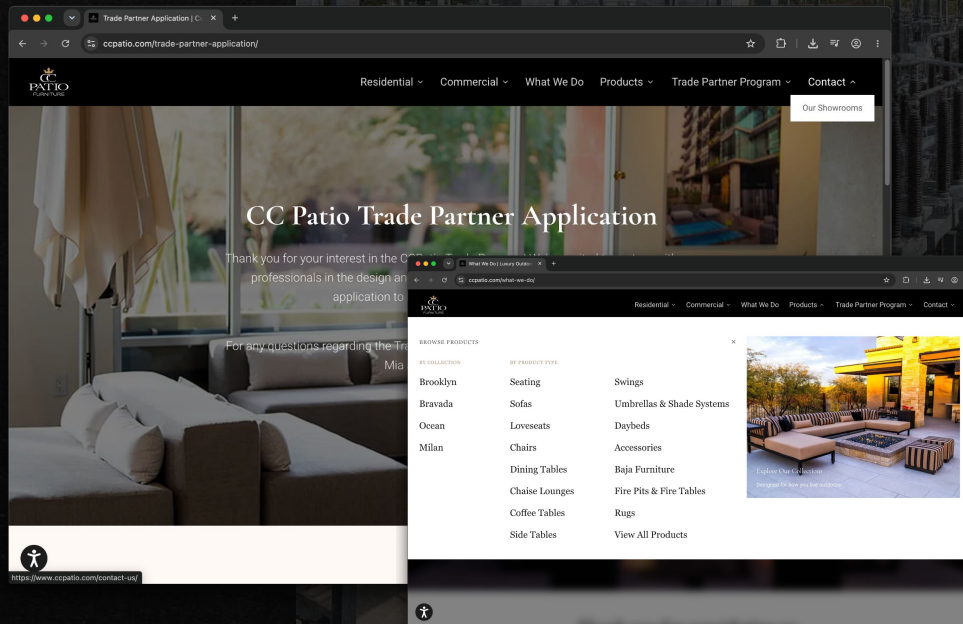

USER EXPERIENCE

NAVIGATION

<https://www.ccpatio.com/>

RECOMMENDATION

1. Add "Contact Us" link to dropdown since some user may not realize they can click on "Contact" to reach the "Contact Us" page
2. Add reveal-on-hover feature to "Products" so it's consistent with all other navigation items

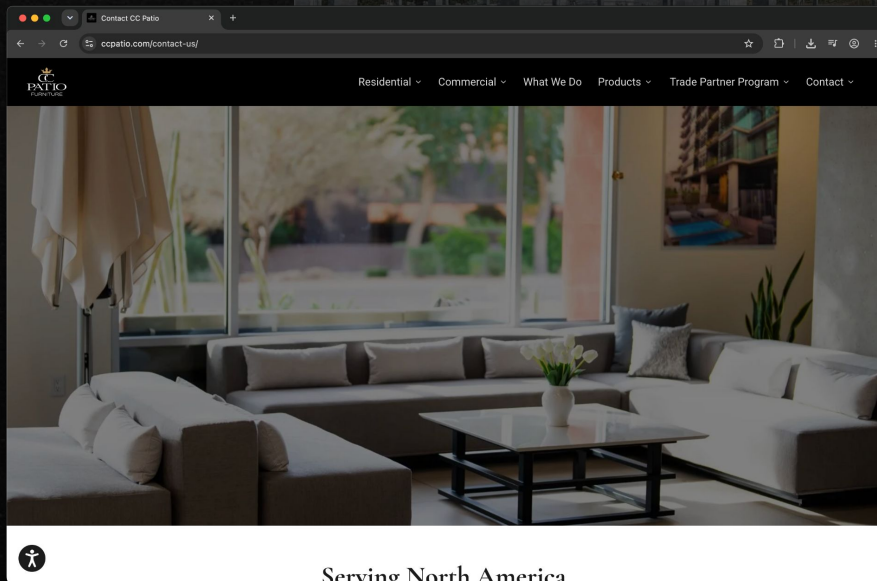

USER EXPERIENCE

CONTACT US

<https://www.ccpatio.com/contact-us/>

RECOMMENDATION

1. Add H1 headline to hero section

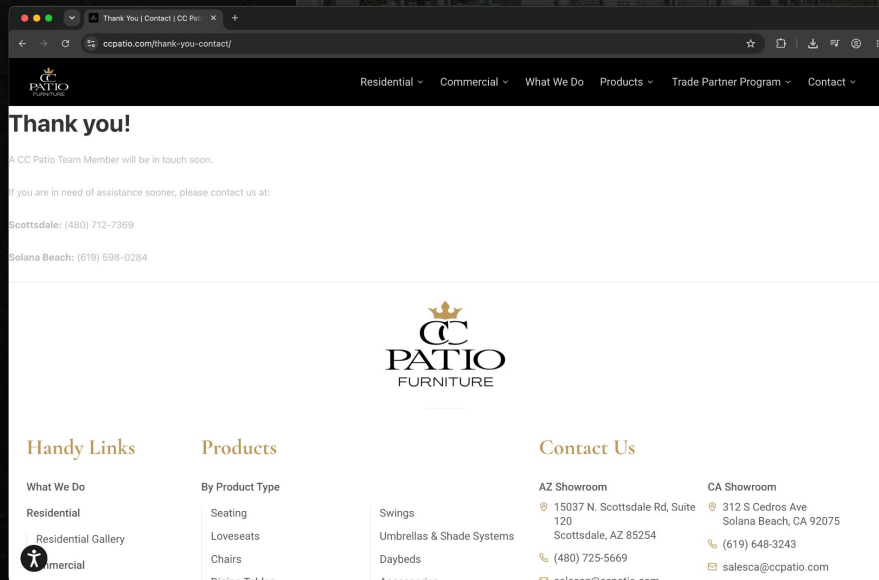

USER EXPERIENCE
